Industrial Visit Report to Radisson Blu Date: 8th April 2023 Time: 2 PM onwards

Introduction:

First-year students of Shri Balasaheb Tirpude College of Hotel Management and catering technology Nagpur recently had the opportunity to visit Radisson Blu, a five-star hotel located in Nagpur. The objective of the visit was to gain practical knowledge and insight into the hospitality industry and its operations.

Tour:

The visit started with a warm welcome from the hotel staff, who introduced us to the hotel's history and its achievements. We were then taken on a tour of the hotel's various departments, including the front office, food and beverage, housekeeping, and kitchen department.

Front Office:

We visited the front office, where we were shown how guests are checked in and out, and the importance of maintaining a high level of customer service. We also learned about the different room categories and their rates, the use of a property management system, and the role of the front office staff in generating revenue for the hotel.

Food and Beverage:

Next, we visited the hotel's restaurants and bars, where we were introduced to the various types of cuisines served and the methods used for food preparation. We also learned about the different service styles, such as buffet and à la carte, and how to manage guest complaints and feedback.

Housekeeping:

The housekeeping department showed us how to maintain a high level of cleanliness and hygiene in the hotel's guest rooms and public areas. We learned about the different cleaning chemicals and techniques used, as well as the importance of attention to detail in providing a comfortable and pleasant guest experience.

Conclusion:

The industrial visit to Radisson Blu was an excellent opportunity for the first-year students to gain practical knowledge and insight into the hospitality industry and its operations. The students were able to observe and learn about the hotel's different departments and their functions, as well as gain insight into the challenges and opportunities facing the industry. The visit was informative, engaging, and enjoyable, and we thank the hotel staff for their hospitality and willingness to share their knowledge with us.
