On 15 October 2020 the birth anniversary program of Dr. A.P.J. Abdul Kalam was celebrated at our college in the presence of our college teaching and non-teaching staff as a "Reading Inspiration Day" in our library. Dr. APJ Abdul kalam (Avul Pakir Jainulabdeen Abdul Kalam) born in Rameswaram of Madras Presidency on 15th October 193. This day is celebrated as Reading Inspiration Day because of his great reading and also to commemorate him. he played a leading role in the development of India's missile and nuclear weapons programs. He planned a program that produced a number of successful missiles, helping earn him the nickname "Missile Man."

Sir Kalam was the rightful 11th Indian President. His presidency lasted from July 25, 2002, to July 25, 2007. He was very fond of reading. For the last 2-3 years, we have been celebrating this day with great enthusiasm on the concept of Hon'ble Education Minister. Samarth Ramdas's words "One should write something in the mood and read it continuously". It is very difficult to express the importance of reading in words.

Dr. A.P.J Abdul Kalam Anthology of poetry is published like Wings of fire, India 2020, Ignited minds, turning point and many more. He was belonged to a very Ordinary family, wings of fire is his biography in which he has played his entire role. Nishul Prithvi, Agni, Akash & Naag were all Indian made (Self-reliant). ISRO- Indian Space research Organization has been established at Thikbane Tapuram.

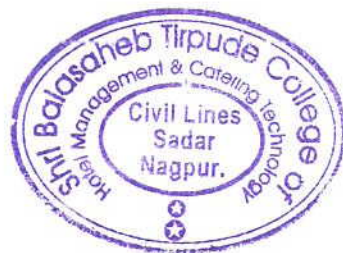

The importance of reading in Marathi has been said thousands of years ago 'He who reads will be victorious' This is the first Shilajati in Marathi language A.D. Hattar Sang Kundal near Solapur in 1018 Sangameshwar Mandish is carved. The importance of reading and studying is thousands. This is an example of what our ancestors knew from ages ago Dr. Babasaheb Ambedkar said, "If you read, you will read."

Reference: -Department of Marathi Language, Government Circular Hai, Dated - 2015 / 8.8 89/2015 | Language - 3, dated 14th October 2015, a small exhibition of Marathi language book on Hotel Management & Catering Technology was organized in our college country. The purpose of this was to give importance to the mother tongue and make the Marathi literature well-known. All the professors took advantage of this exhibition.
