INNKEY TRAILBLAZER PROGRAM REPORT

To provide the knowledge about the software to students this year college had decided to give students an experience by conducting "INNKEY TRAILBLAZER PROGRAM" this was the two days session were conducted from 26th June 2023 to 27th June 2023 on Training Restaurant and Bar at 11.00AM to 03:00PM. This session was conducted for the students in order to enhance their all-round development.

The "INNKEY TRAILBLAZER PROGRAM" was organized by our college principal Mr. Akshay Dandale Sir and Ms. Neha Warkhade Assistant professor.

Mr. Avinash Chauhan explained with the presentation the different application of the software in front office department, he stated with the training on the basic commands. The session continues with the detail explanation of the software and hand on practice for the students throughout the session. The students also had to complete small exercises given at the session.

In all, 18 students of BHMCT-II semester attended the training session and all the students have successfully complete the given task by Mr. Avinash Chauhan sir.

Day: 1

10:30 AM: Registration of Students- The day started with the registration process for the participating students. This allowed the organizers to check-in and verify the attendance of the attendees.

11:00 AM: Welcoming of Mr. Avinash Mr. Avinash, a distinguished guest or speaker, was welcomed to the program. This moment marked the beginning of the formal proceedings.

11:10 AM: Welcome Speech- A welcome speech was delivered, presumably by a representative or organizer of the Innkey Trailblazers Program. The speech might have included an overview of the program, its objectives, and any important announcements.

11:11 AM - 1:30 PM: Training Session -The main training session of the day commenced after the welcome speech. This session likely focused on a specific topic or skill relevant to the program's goals. Participants would have had the opportunity to learn and gain practical knowledge during this timeframe.

1:31 PM - 2:00 PM: Lunch -A break was scheduled for participants to have lunch and refreshments. This period allowed attendees to network, interact with fellow participants, and recharge before the afternoon session.

2:01 PM - 3:00 PM: Post Lunch Training Session- The program continued after the lunch break with another training session. This session might have included additional learning modules, hands-on activities, or interactive discussions related to the program's theme.

Day: 2

10:30 AM - Registration of Students:- The program begins with the registration of students. Participants are required to check in and provide their necessary details to ensure smooth participation in the program.

11:00 AM - 1:30 PM - Training Session:- A comprehensive training session is scheduled for this time period. Participants will engage in interactive sessions, presentations, and workshops aimed at enhancing their skills and knowledge in a particular area of focus.

1:31 PM - 2:00 PM - Lunch: - A lunch break is scheduled to allow participants to refresh and recharge for the afternoon session. Attendees can enjoy a meal provided by the organizers or have the option to explore nearby dining options.

2:01 PM - 3:00 PM - Post Lunch Training Session: - Following lunch, the program continues with another training session. This session will further delve into the subject matter and provide additional opportunities for participants to learn and engage in practical activities.

3:01 PM - 3:10 PM - Vote of Thanks and Felicitation of Mr. Avinash: - Towards the end of the program, a brief ceremony is scheduled to express gratitude and appreciation. A vote of thanks will be given by Mr. Akshay Dandale to acknowledge the efforts of everyone involved in organizing the program. Additionally, there will be a special felicitation of Mr. Avinash, presumably for his contributions or achievements.

Dear Mr. Akshay Dandale,

Greetings! I hope you are doing well!

As discussed in the last call, we have created a dedicated demo environment to serve as a training ground for the students, allowing them to gain hands-on experience with PMS software.

We are pleased to extend an offer to send one of our experts to Tripude College of Hotel Management for a two-day visit. During this visit, our expert will provide comprehensive training equipping them with the necessary skills to utilize InnKey PMS effectively. This opportunity will enhance their understanding of hotel management technology and provide them with a cut into the industry.

To proceed with the training, we kindly request you to confirm the preferred dates for the visit. Once we receive confirmation, we will make the necessary arrangements and coordinate to ensure a productive and enriching training session.

In line with our commitment to supporting educational institutions, we would like to inform you that InnKey will not charge any fees for the setup, usage, or training associated with our PMS. We kindly request Tripude College of Hotel Management to manage the travel, stay, and meal expenses for our visiting experts during their stay at the college.

Furthermore, we are working on a press release announcing our collaboration with Tripude College of Hotel Management. We believe this partnership will have a positive impact on both the hospitality industry as a whole. We will share the press release with you shortly for your review and approval.

We are eagerly looking forward to your response, confirming the dates for the visit, and commencing this exciting collaboration. Please do not hesitate to contact me directly if you have any questions or require additional information.

Thank you once again for choosing InnKey as your preferred PMS partner. We are confident that our collaboration will contribute to the success and growth of Tripude College of Hotel Management.

Warm regards,

Amar Shah

Thank you for your time & sharing Technology, Nagpur

We appreciate the opportunity to discuss our vision for collaborating with Tirpude College of Hotel Management.

Innkey PMS is thrilled to associate with your college to provide PMS software and training to students. Our primary objective is to Hotel PMS software in various modules such as Front Desk, Housekeeping, Reservations, and more. This practical training will be and help them succeed in their future endeavours.

We can create a demo environment using Tirpude Hotel and configure various scenarios for the students. We would also be happy to provide certificates to the students at different stages of the training program, which will set them apart from other students during the placement process.

In addition, we would love to share industry insights from our senior experienced industry delegates with the students, providing them with a comprehensive understanding of the industry.
