The Holi festival has a cultural significance among various Hindu traditions of the Indian subcontinent. It is the festive day to end and rid oneself of past errors, to end conflicts by meeting others, a day to forget and forgive. People pay or forgive debts, as well as deal anew with those in their lives. Holi also marks the start of spring, an occasion for people to enjoy the changing seasons and make new friends. Taking note of its significance Holi was celebrated with splash of colours at Shri Balasaheb Tirpude College of Hotel Management and Catering Technology. The atmosphere on

6th March, 2023 was marked with fun and fervour as all student's hospitality management celebrated this vibrant festival. The College following the green and global practices had arranged for safe organic herbal Holi colours. The academic courtyard was an amalgamation of enthused students who also sprinkled colours on teachers. As Holi is the festival which commemorates the victory of good over evil, brought about by the burning and destruction of the evil demon named Holika. So, the spirit of Holi taught the students to follow good conduct in life and believe in the virtue of being truthful and honest. The Principal, Mr. Akshay Dandale stated that Holi is a festival of new hope, new beginning and new opportunity. He reiterated to forget, forgive and start afresh and advised the students to play only with organic colours. The students of college welcomed spring, season of hope with songs, dance and bright colours which were the major highlights of this vivid and lively festival.

These bright colours are believed to signify energy, life and joy.
