The International Women's Day celebrated in many countries around the world. As United Nation describe International Women's Day (IWD) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. Where, Hospitality industry is considered as one of the forerunners in driving growth among the service sector in India and as the bedrock of tall travel and tourism-related activities, generate huge employment opportunities both directly and indirectly. With mor and more women stepping into the industry, their contribution to the sector has increased as an attractive industry that sees women workforce across levels their participation had been underrepresented in management and leadership roles.

However, this scenario is changing now as women in the hospitality industry are shattering all stereotypes and taking up major roles in the hospitality industry. Women are increasingly occupying managerial positions in the industry along with taking firm steps towards successful careers and making their mark prominent with their hospitality instincts. They are seen in mid as well as senior managing including having board positions and also creating an encouraging environment for the other women to match their footsteps which leads to increase the number of female students in college campus. Hence, Internal Complaint committee and National Digital Library of India of Shri Balasaheb Tirpude College of Hotel Management and Catering Technology celebrated this International Women's Day showcasing their gratitude toward various women's already leading in hospitality sector and students who will be joining them soon.

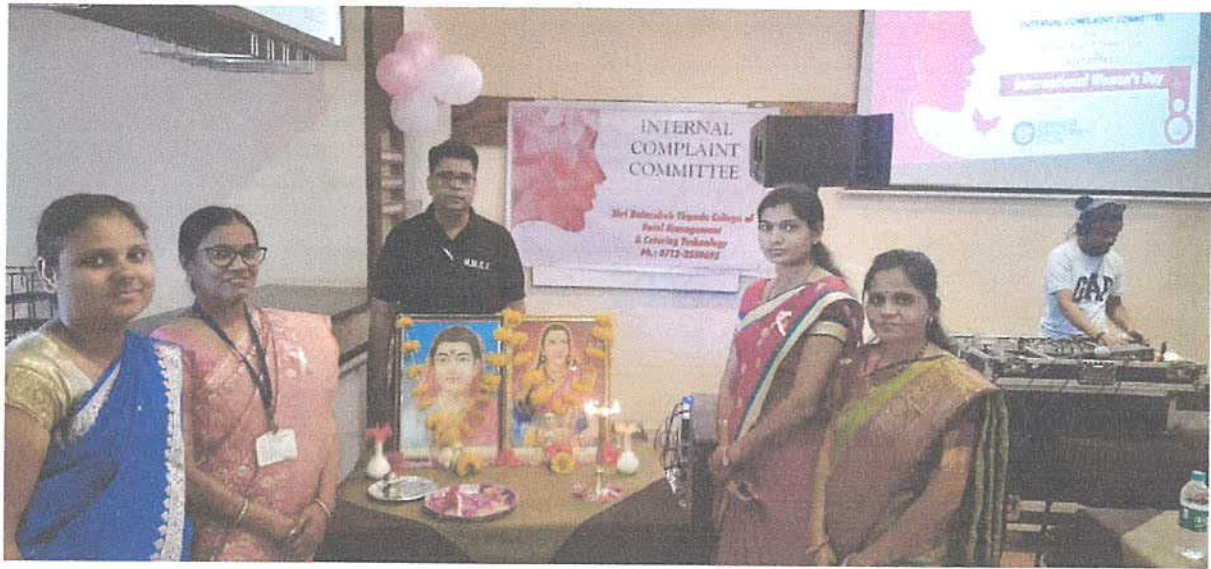

Drape of India was the theme for this celebration conducted at training restaurant and bar. Event anchor Dr. Dipti Manapure commences the celebration by welcoming Ms. Ghana Tirpude to this event by generous floral bouquet offered by Mr. Akshay Dandale, the principal of the college. Followed by Ms. Sanskruti Bhandarkar BHMCT final year student presentation on womens leading hospitality industry today. The Internal Complaint Committee with joint collaboration with college NSS cell organized Self-Defense program for the Female student and staff on 8th April 2023 from 10.00 am to 12.00 pm in Cafeteria. The Guest Trainer was Sensai Arthur Celeb, a Kung fu master. Training and Placement officer Mr. Yelesh Lanjewar introduced the guest trainer to the students followed by showcasing the importance of self-defense for females. Orientation and discussion on safety precautions at road, home, working place and other public places were also included in the training session. The trainer taught many self-defense tricks and techniques to develop self-confidence. The participants were informed about how the various tools like hand bags, key chains and dupatta could be used as a safety tool. All the participants were made to practice the techniques with other participant. The importance of safety also discussed in detail so that the participants could guide their friends and family members. There were total of 17 participants.

# MENSTRUAL HEALTH HYGIENE SESSION BY AVINASH THAKRE

ICC & NSS UNIT OF SHRI BALASAHEB  
TIRPUDE COLLEGE OF HOTEL  
MANAGEMENT AND CATERING  
TECHNOLOGY

On 17/06/2023 @ Training Restaurant & Bar

With the increase in number of female students enrolling in to college and to create safe and healthy atmosphere for them college had organises the Menstrual Health and Hygiene session which is essential to the well-being and empowerment of women and adolescent girls. The aim of this session was to create facilities that effectively manage their menstruation as girls and women require access to water, sanitation and hygiene (WASH) facilities, affordable and appropriate menstrual hygiene materials, information on good practices, and a supportive environment where they can manage menstruation without embarrassment or stigma.

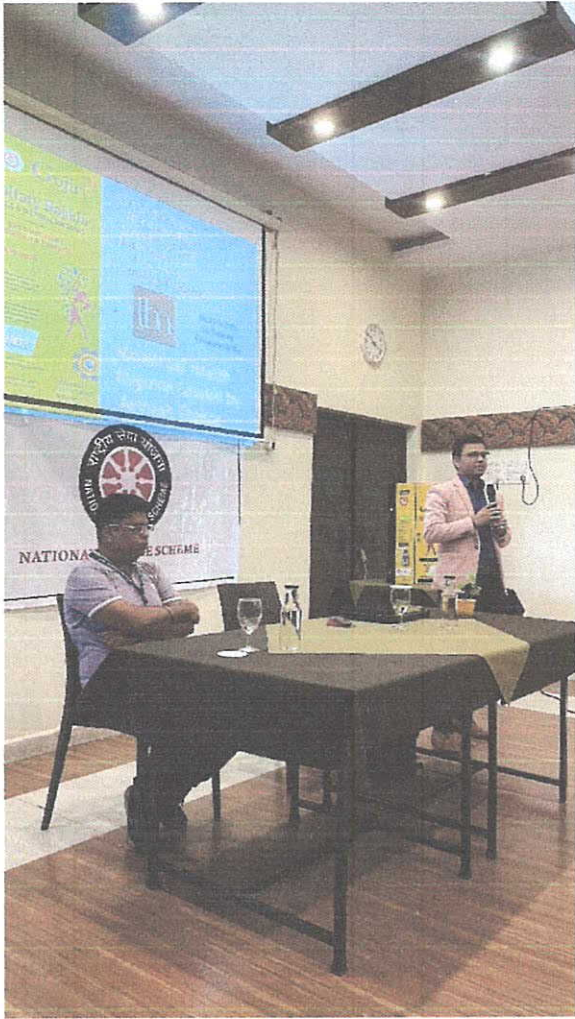

The main highlight of this event to including Male students and staff in over period of time it had been seen that this topic is equally important to bring forward into male generation for understating the importance of Menstrual Health and Hygiene for women as the resulting lack of information about menstruation leads to unhygienic and unhealthy menstrual practices and creates misconceptions and negative attitudes, which motivate, among others, shaming, bullying, and even gender-based violence. For generations of girls and women, poor menstrual health and hygiene is exacerbating social and economic inequalities, negatively impacting their education, health, safety, and human development.

With the help of session college had inditiated step towards to break this mentality. This session was conducted by Mr. Avinash Thakre from Orange Techno, under Gojri Movement. Concluded by demonstration of using Sanitary Despensing Machine which was installed in Girls Common Room at Second Floor.
