## 2.5.1: Mechanism of Internal / External Assessment and the Grievance Redressal System Is Time Bound and Efficient.

## PREAMBLE

Sessional In Charge and Timetable In charge of the institute plans the examination calendar at the beginning of the semester and plans and executes sessional exams and Final Practical examination. Sessional In charge makes sure that the internal assessments are conducted as prescribed in the course structure given by RTMNU. Transparency in the internal evaluation process is maintained by disseminating all information to the students. The Institute practice a time bound and efficient mechanism to deal with the grievances of the students related to examination. The examination system assures the transparent and time bound process of addressing grievances.
