"Shiv Chhatrapati Shivaji Maharaj" Jayanti was celebrated. Chhatrapati Shivaji Maharaj also spelled as Sivaji was born on 19 February 1630. He was born at Shivneri which is a hill fort in Junnar in Poona, now known as Pune. His father's name was Shahaji Bhosale and mother Jilabai Bhosale. He was the founder of Hindu Swarajya.

Shivaji had himself enthroned with great fanfare as an independent sovereign. The suppressed Hindu majority rallied to him as their leader. He ruled his domain for six years, through a cabinet of eight ministers. A devout Hindu who prided himself as the protector of his religion, he broke tradition by commanding that two of his relatives, who had been forcibly converted to Islam, should be taken back into the Hindu fold. Yet even though both Christians and Muslims often imposed their creeds on the populace by force, he respected the beliefs and protected the places of worship of both communities. Many Muslims were in his service. After his coronation, his most noteworthy campaign was in the south, during which he forged an alliance with the sultans and thereby blocked the grand design of the Mughals to spread their rule over the entire subcontinent.
