Event Co-Ordinator  
**NITU JAISWAL**  
Assistant Professor  
Shri Balasaheb Tirpude  
College of Hotel Management  
& Catering Technology, Nagpur

Making up a good flower arrangement requires a lot of creativity on the part of the arranger, and beginners can develop this art through study and experimentation with different plant materials. Studying pictures of interesting arrangements in books and magazines for ideas is one way of learning this art, but actual practice is essential for developing skill in flower arrangement. Keeping this in mind every year Shri Balasaheb Tirpude College of Hotel Management and Catering Technology Organises the one Day Work-shop on Flower Arrangement. The main of this work shop was to develop the knowledge and understanding the uses of various material, equipment's, Mechanics, Bases, Supports and accessories along the various principles that they need to utilised while making Flower Arrangement. This work-shop also provide the opportunity to bring out the creativity of BHMCT Semester-IV students.

This year students showcased their creativity under the supervision of Ms. Nitu Jaiswal, Assistant Professor of the College. Main highlight for this workshop was preparing miniature arrangement of various contemporary arrangement.

The National Librarian Day ceremony started sharp at 12.00pm. Welcome speech and Introduction of the program given by Dr. Dipti Manapure expressed their thoughts and explained the importance of the programme. The programme was attended by our principal, professors.

The ceremony was completed by lightning the lamp and garlanding it by our college principal, teaching faculties and our Librarian Dr. Dipti Manapure also the vote of thanks given by Shri. Bhimrao Tinghase. The Guru Vandandana program started and the program completed with Prasaydana.

Information about the Dr. S. R. Ranganathan

He was born on 12th august 1892, he lived in shiyali in south India.

Ranganathan began his professional He earned B.A and M.A degrees in Mathematics from Madras Christian college in his home province and then went on to earn a teaching license.

His most notable contributions to the field were his five laws of library science- synthetic classification system, the colon classification.

He is considered to be the father of library science, documentation and information science in India. His five laws of library science are helpful in formulating principles of document selection.

In 1928, Dr. S.R Ranganathan formulated the fundamental laws of library science on the basis of his own experience, observation and experiment on the working of the library. In 1931 he published his books "Five Laws of Library Science".

The 1<sup>st</sup> law- Books are for use.

2<sup>nd</sup> law- Every reader his or her book.

3<sup>rd</sup> law- Every book its reader.

4<sup>th</sup> law- Save the time of the reader.

5<sup>th</sup> law- The library is a growing organism.

And then Original VS New Conceptions

- 1) E- Book are for reading
- 2) Every listener her/ his iTunes
- 3) Every blog its reader.
- 4) Save the time for the listener.
- 5) A E-library is a growing organism.

New conception laws is very useful in information technology age. The National Librarian Day concluded with enthusiasm.

On 15 October 2020 the birth anniversary program of Dr. A.P.J. Abdul Kalam was celebrated at our college in the presence of our college teaching and non-teaching staff as a "Reading Inspiration Day" in our library. Dr. APJ Abdul kalam (Avul Pakir Jainulabdeen Abdul Kalam) born in Rameswaram of Madras Presidency on 15th October 193. This day is celebrated as Reading Inspiration Day because of his great reading and also to commemorate him. he played a leading role in the development of India's missile and nuclear weapons programs. He planned a program that produced a number of successful missiles, helping earn him the nickname "Missile Man."

Sir Kalam was the rightful 11th Indian President. His presidency lasted from July 25, 2002, to July 25, 2007. He was very fond of reading. For the last 2-3 years, we have been celebrating this day with great enthusiasm on the concept of Hon'ble Education Minister. Samarth Ramdas's words "One should write something in the mood and read it continuously". It is very difficult to express the importance of reading in words.

Dr. A.P.J Abdul Kalam Anthology of poetry is published like Wings of fire, India 2020, Ignited minds, turning point and many more. He was belonged to a very Ordinary family, wings of fire is his biography in which he has played his entire role. Nishul Prithvi, Agni, Akash & Naag were all Indian made (Self-reliant). ISRO- Indian Space research Organization has been established at Thikbane Tapuram.

The importance of reading in Marathi has been said thousands of years ago 'He who reads will be victorious' This is the first Shilajat in Marathi language A.D. Hattar Sang Kundal near Solapur in 1018Sangameshwar Mandish is carved. The importance of reading and studying is thousands. This is an example of what our ancestors knew from ages ago Dr. Babasaheb Ambedkar said, "If you read, you will read."

Reference: -Department of Marathi Language, Government Circular Hai, Dated - 2015 / 8.8 89/2015 | Language - 3, dated 14<sup>th</sup> October 2015, a small exhibition of Marathi language book on Hotel Management & Catering Technology was organized in our college country. The purpose of this was to give importance to the mother tongue and make the Marathi literature well-known. All the professors took advantage of this exhibition.
