

STUDENTS PARTICIPATION IN MOTIVATING JUNIORS FOR SKILL DEVELOPMENT

Aim: To Inspire Senior Students to motivate the juniors in improving their working skills by the experienced gained by them during the Industrial training.

Involvement of senior students with the faculty to nurture the skills of his and others during the college practical.

Objectives:

- 1) To Develop meaningful and respectful relationships with senior and junior students.
- 2) To Establish high expectations and establish clear goals.
- 3) To encourage the senior student's participation during the College Practical by assisting the faculty and will showcase their skills which they had achieved during their training to the Junior students.
- 4) To enhance students educational, social and personal growth through learning from the experience of senior students.
- 5) To break the monotonous approach of traditional methods and bring teacher and student relationship.

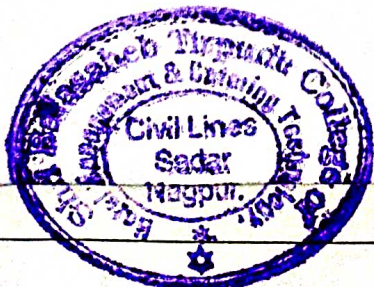

Goal:

- 1) To make themselves aware/ready for the upcoming situations during their training period.
- 2) To train the students in their practical skills to empower them to compete in job market.
- 3) This activity act as appreciation to the students showcasing their skills and will also motivate the other students to undergo training actively.

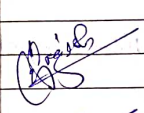

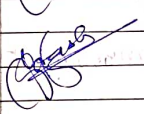

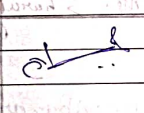

Function/ Procedure:

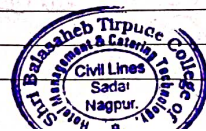

The senior students will be assisting the respective subject faculty in performing the job of following nature:

- 1) The senior students will be demonstrating the practical skills, cocktails making, bed making front office role paly and performing the menu dishes with the help faculty and helping the juniors to follow it.
- 2) Senior students will be performing the tasks as per the standards of hygiene and sanitation required during working.
- 3) The senior students showcasing their skills will be helping stone to the junior students to understand how to improve their work, punctuality, speed and all the other related aspects.
