We visited the front office, where we were shown how guests are checked in and out, and the importance of maintaining a high level of customer service. We also learned about the different room categories and their rates, the use of a property management system, and the role of the front office staff in generating revenue for the hotel.

Food and Beverage:

Next, we visited the hotel's restaurants and bars, where we were introduced to the various types of cuisines served and the methods used for food preparation. We also learned about the different service styles, such as buffet and à la carte, and how to manage guest complaints and feedback.

Housekeeping:
