### 1.1. Number of students year wise during the last five years

## **DVV Query**

1. HEI is requested to kindly provide required details in the column " Student enrollment number " should be Considered. As provided PROVISIONAL" should not be considered. So please relook and provide correct revised data.

2. Kindly note that Same Enrollment number for the Different student is not possible which should not be considered, please provide UNIQUE Enrollment number for each student and provide correct revised data.

3.Please Provide appropriate link to the admission approval documents received from the university for assessment period.

4. Please provide Year wise list of students approved by the AFFILIATING UNIVERSITY for the last five years which should be COUNTABLE on the letter head of the HEI, with the SEAL and SIGNED by the Head of the Institute.

5.Please Consider only the students on the rolls during the odd semesters if the program is of semester scheme.

#### **Clarification:**

1.1 Number of students year wise during the last five years

Year	2022-23	2021-22	2020-21	2019-20	2018-19
Total Number of Student	190	237	<mark>240</mark>	236	235

\*Note: Serial number **241 Rewati Raju Dhapudkar Savita**, had been admitted during session 2020-21; Her name was there in Form B and University Enrollment list which indicate Provisional admission. But she had canceled her admission and taken back her documents hence further her enrollment number was not being generated. Entry of her name was the mistake, please do not consider one name and reconsider the total number of students as 240 for the session 2020-2021.
