Bills from Stock Register	<a href="#">View Document</a>

The HEI had provide bills for only 15 computers installed in the computer lab where as the actual number is 26. The HEI cannot provide the details of 11 computers as the bills are untraceable, the computer lab is equipped with 26 units of upgraded computers which are operational and used by students for practical purpose in academics and research of information.

### Justification for query 3 of 4.3.2

The computers in the computer lab were purchased in the duration that do not come under the assessment phase of 2018-2023, as well as the timely upgradation was done keeping the students' interest with the need of technology which again comes post the phase (2023-2024) of assessment needed.

The details of computer upgradations were submitted earlier.

8/12/2023, 11/12/2023, 19/12/2023, and 05/01/2024 are the upgradation dates which do not come under assessment period.

In the coming years, additional allocation of funds is proposed for purchase of new computers in the computer lab.
