Institute had provided Academic year wise data in the prescribed data template, which shows the figure Zero for all the five years. Institute provides financial support to faculties to attend conferences, workshops and towards membership fees of professional bodies as per the request of faculties. As the DVV had asked to submit financial support of Rs. 5000/- per faculty per year and the faculties had received financial support, but the amount dose not reach the figure of Rs. 5000/- per faculty per year; so, it cannot be included in DVV. Most of the faculties had attended the conferences and workshops, which were free of charge and the amount paid to faculties for conferences, workshops and towards membership, fees of professional bodies are done through Petty Cash account which is not reflected in Audit statement separately.
